The Domestic Highway Enforcement initiative recently held its annual nationwide meeting at the Red Rock Hotel and Casino in Las Vegas. The NHAC collaborated with the DHE Coordinators and the DHE Chair to assist with the planning and coordination of the event. Following the national ISC Managers meeting on May 10, the DHE meeting took place on May 11-12. ...

The nationwide meeting began with opening remarks from Kurt Schmid, the Director of the Chicago HIDTA, followed by keynote speaker Kshemendra Paul from the White House Information Sharing and Access Inter-Agency Policy Committee.

After the keynote speech, there was an update on an information sharing initiative, followed by a brief from the Terrorist Screening Center and a DHE panel presentation that showcased the flow of information from a traffic stop through all available intelligence resources.

Arkansas Game and Fish Officer Michael K. Neal gave a riveting speech focusing on officer safety demonstrating heroic reaction in a video that captured him in a Wal-Mart parking lot shootout.

Other presentations included discussions about drug cartels, an update of other transportation modes (rail/air), bulk currency trends and a legal presentation by ACLU lawyers entitled "New Alliances" Civil Libertarians Keep Peace? followed by "bias-free policing" advice from Chicago Attorney Iain Johnston.
